Redesignation of Holgate Unit
Brigantine NWR to Barnegat NWR

LA - New Jersey
Barnegat
Brigantine

On April 1, the Holgate Unit of Brigantine NWR will be redesignated the Holgate Unit of Barnegat NWR. The primary reason for the switch is to improved efficiency and coordination of the various programs at Holgate. It takes two or three times longer for someone to visit Holgate from Brigantine than it does from Barnegat.

Records, maps, and management responsibility will take affect on the above date.
